- Single point connections for all utilities
- Field convertible from straight through to corner and vice versa (kit required)
- 1 HP self-draining stainless steel pump
- Durable stainless steel construction

**Great fit for applications  
where space is limited!**

## TempStar® FL

The TempStar front-load dishmachine provides a great solution for applications with limited space. No dishtables are required with this model, plus it comes with all the same great standard features as the TempStar model. Features include four selectable timed cycles, a built-in booster heater with Sani-Sure™ final rinse, specially designed stainless steel nozzles that provide superior cleaning action and more. Like all Jackson products, the TempStar FL provides Clean the First Time® results.

### OPERATING CYCLE TIMES (Seconds) | OPERATING CAPACITY (Racks per Hour)

OPERATING CYCLE	CYCLE TIME	RACKS PER HOUR	GALLONS PER HOUR
Normal	:57	63	56.07
Medium	:117	29	25.81
Heavy	:177	20	17.80
Extra Heavy	:297	12	10.68
