

LIST PRICE GUIDE

Effective October 1, 2025

Clean the First Time®

SEER

STEAM ELIMINATION AND ENERGY RECOVERY

Fan extracts the hot water vapor from the chamber

Vapor passing over the coils inside the heat exchanger provides a 40°F rise in temperature to the water inside the coils

The now-cooler vapor returns back into the chamber, condenses, and is channeled into the wash tank

This process virtually eliminates the steam inside the chamber

Cutaway side view of the DishStar® HT-E-SEER

DISHSTAR® HT-E-SEER

High Temperature Sanitizing Undercounter Dishmachine with Steam Elimination & Energy Recovery

Recirculating, 24 (20)* racks per hour, 0.60 gallons per rack, built-in booster heater with Sani-Sure™ final rinse system, double wall construction, stainless steel wash pump assembly, pumped drain, solid state controls, digital LED display, three selectable cycles, delime cycle, built-in chemical pumps and priming switches, auto fill, auto stop, one peg and one combination rack included. 208-230/60/1

\$14,757 **QUICK-SHIP**

DISHSTAR® ADA-SEER

ADA Compliant High Temperature Sanitizing Undercounter Dishmachine with Steam Elimination & Energy Recovery

Recirculating, 24 (20)* racks per hour, 0.60 gallons per rack, built-in booster heater with Sani-Sure™ final rinse system, fits easily beneath 34" countertops, Soft Start, double wall construction, stainless steel wash pump assembly, pumped drain, solid state controls, digital LED display, three selectable cycles, delime cycle, built-in chemical pumps and priming switches, auto fill, auto stop, one peg and one combination rack included. 208-230/60/1

\$15,299 **QUICK-SHIP**

CONVEYOR DIRECTION OF OPERATION

When ordering a conveyor dishmachine, it is important to specify not only the size, voltage, and any options and accessories needed, but it is also **EXTREMELY IMPORTANT** that the direction of operation is properly specified. If unsure, please use the drawings below to determine the correct direction of operation of your new conveyor dishmachine.

LEFT TO RIGHT DIRECTION OF OPERATION

RIGHT TO LEFT DIRECTION OF OPERATION

AJ-64 SERIES

FLIGHTSTAR[®]**Rackless Conveyor Dishmachine**

Sized & outfitted with options to specifically accommodate your foodservice operation

**Performance & Operation**

- Adjustable rinse system - Econo Rinse (50 gph) for normal operation and Turbo Rinse (92 gph) for heavier soiled loads
- Superior results & whisper-quiet operation with low heat radiation to the dish room
- Digital LED control interface with service diagnostics
- Swing stop mechanism pauses the conveyor for unloading
- Pulsed drive reverse prevents belt jamming
- Cleans up to 14,964 dishes per hour using only 50 gallons of water

Dual rinse system with Rainbow Rinse™ arms produces superior results while significantly reducing water consumption

Access & Maintenance

- Hinged doors for easy access inside the machine
- Easy to handle scrap screens fit inside all 20-55 gallon waste receptacles
- Improved venting duct with sloped-to-rear drain point
- Non-clogging wash arm nozzles reduce maintenance labor
- Delime mode

Specially designed wash arms with non-clogging, convex jets provide equalized water pressure and uniform cleanability

Serviceability

- Service diagnostics
- Front-mounted tank heater for easy access
- Wash pump motors are accessible from the front of the machine
- Reduced footprint with improved electrical layout

Assembly of all flight sections - including internal wiring, piping, thermometers and leveling of the machine - is performed by Jackson factory-authorized personnel. The Jackson factory-authorized personnel will also conduct a performance test and operator training at time of assembly. Final utility connections for plumbing and electrical shall be provided by others and should be conducted by an authorized and licensed tradesman in accordance with local, state and national building codes and guidelines. All Jackson Flight-Type machines come with a one-year Parts & Labor Warranty and a two-year Preventative Maintenance Program (PMP) through the local Jackson Authorized Service Agency (ASA).

LED digital display with service diagnostics displays the temperature of each tank

PLEASE REFER TO THE PRODUCT SPECIFICATION SHEET FOR THE INDIVIDUAL MODEL.

GENERAL INFORMATION

WARRANTY: For a period of one (1) year from date of original installation of a new Jackson dishmachine (but in no event to exceed eighteen (18) months from date of shipment from Jackson's factory), Jackson WWS, Inc. (Jackson) will repair or replace, at its discretion, any original part that proves defective in materials or workmanship at the time the dishmachine was purchased. For full details of our Manufacturer's Limited warranty, visit www.jacksonwws.com.

EXTENDED WARRANTY: Extended warranties are available on most* Jackson manufactured dishmachines and must be purchased at the time of equipment order. A one (1) year extended warranty is available at a rate of 6% of the machine's list price and a two (2) year extended warranty is available at a rate of 11% of the machine's list price.

FREE START-UP: Most* new Jackson manufactured dishmachines qualify for a Complimentary Performance & Installation Check by a Jackson Authorized Service Agency (ASA)*. When the machine is installed by a Jackson ASA, this complimentary service is provided at the time of installation.

When the installation is not performed by the local Jackson ASA we will still conduct the Complimentary Performance & Installation Check to verify the installation was done correctly and that the machine is operating properly. Contact your local Jackson ASA to arrange for this service.

**Jackson WWS limits travel time to two (2) hours and mileage to one hundred (100) miles round trip. Jackson WWS will not pay for travel time and mileage that exceed this, or any fees such as those for air or boat travel without prior authorization. For machines located beyond the above stated limitations, please contact Jackson Technical Service for assistance via phone, 1-888-800-5672.*

**NXP Series models are not eligible for extended warranties or Free Start-ups*

ABOUT JACKSON

Jackson WWS is a full-line supplier of high-quality commercial dishmachines including flights, conveyors, door-types, glasswashers and undercounters. Founded in 1925, Jackson stands by their "Clean the First Time[®]" commitment with dishmachines that deliver optimal cleaning performance while reducing labor, chemical and utility costs. With more standard features, lower operating and acquisition costs and our network of factory-certified technicians, Jackson sets the standard for warewashing. For more information about Jackson and its full line of warewashing solutions, please visit www.jacksonwws.com or call 1.888.800.5672.
